

Remarks

New claims 13-24 have been presented. The new claims are similar to original claims 1-12 with the additional requirement that references to a downconverter are specified to be a quadrature downconverter as is well-known in the art. No new matter has been added.

Conclusion

It is submitted that all the pending claims are now in a condition for allowance. Consideration of the application and issuance of a notice of allowance are respectfully requested. If the Examiner believes, after this amendment, that the application is not in condition for allowance, the Examiner is invited to call applicants' attorney at the telephone number listed below.

Respectfully submitted,
